Safeguarding Children & Addressing Abuse

The Catholic Church Is Battling Sexual Abuse

While most media focus over the past ten or more years has been on the incidents of sexual abuse within the Church, little has been said about the many positive steps that the Catholic Church has taken to address the issue. Dioceses across the country, and especially the Archdiocese of Newark, have instituted compassionate outreach to victims and support services, training and background checks for staff and volunteers, training for children and youth, codes of conduct, reporting requirements to civil authorities, independent Review Boards to investigate allegations and recommend actions under Canon law for offenders, as well as other initiatives.

To date, the Catholic Church is the only youth-serving organization in the country – private or public -- to undertake such a comprehensive program to create and promulgate safe environments for children and young people.

Independent auditors from the United States Conference of Catholic Bishops have found the Archdiocese of Newark to be fully compliant with the requirements of the Charter for the Protection of Children and Young People in every year since audits began in 2003.

Ministry to the Sick

We hope to give to all the sick and aged in our parish the opportunity to receive the Eucharist. If you or someone you know can no longer get to church, and would like a Eucharistic Minister to bring you Communion, *please call St. Anne's Rectory at 201-360-0838 or email Webmaster@stannesjc.com.*

The Way of the Cross

On Sunday, March 15th at 8:00 PM in St. Anne's Church, the Franciscan Mystery Players will present their moving version of "The Way of the Cross". Written by Franciscan Father Francis Pompei, the mystery play is not a 'play' in the common sense, but in fact, a prayerful experience that uses special lighting, a stirring soundtrack, pantomime actions and an inspirational narration to portray the Stations of the Cross in a manner that invites each viewer to contemplate the meaning of the Passion and how it relates to their life today.

The group is comprised of teens and adult advisors from several parishes in the Paterson Diocese. Adults and teens are encouraged to attend this special Lenten experience. *We suggest you arrive 15 minutes early.*

The Gospel story of the passion, death and resurrection of Jesus comes alive when we recognize that it is not only the story of Jesus but our story as well, when we recognize ourselves and our experiences in the events of Jesus' life and the lives of the people close to him. **\$35.
