## St. Anne's Festival 2015

Festival Committee Members have been meeting once a month since February – obtaining needed licenses, getting 50/50 raffle tickets printed, contracting entertainment, etc.; a lot of work is involved in planning this annual event, in Honor of our Patroness, St. Anne.

The Festival Committee has planned pre-fundraiser activities to help with the expenses for the Festival, such as the **"A Nite at the Races"** last Saturday and an **Atlantic City bus trip next Saturday, May 9th to Caesar's Casino.**

Many volunteers are needed to help with the Festival, especially the weekend of this event - July

24,25,26, 2015! Without the volunteers, it's not possible to have the numerous games that are available for both children and adults. In this week's bulletin, there is a Festival Volunteer Sheet for you to see the different time slots available to work; no one person is expected to work the entire day or the entire weekend. Any time that you can 'help out' would really be helpful and appreciated; don't be surprised if you really enjoy yourself while working!

*To find out more, please join us at one of our Festival Meetings. Our Festival Meetings are held on the following Tuesdays at 7:00 PM in Centennial Hall:*

**May 12, June 9, June 23, July 7,14, 21**

## 2015-16 Parish Calendar Schedules Due

THERE WILL BE NO "PARISH CALENDAR MEETING"; any conflicting dates will be discussed via email/phone.

PLEASE NOTE: no scheduling in Centennial Hall for months of July and August; repairs need to be made in church and school buildings; premises need to be vacant. Thankyou.

All Parish Organizations who use our facilities are requested

to submit their yearly calendar for 2015-16; Parish Calendar year is September 1, 2015 to June 30, 2016. Please submit your calendar by May 31st!

When preparing your schedule, please keep in mind Two Annual Parish Events that take place – Parish Auction (March 6, 2016; setup March 5, 2016) and the Festival (July 22,23,24, 2016). The Festival Committee schedules 'pre-festival fundraisers' to help

fund the Festival – "A Nite at the Races" (April 2016), and one or two "Atlantic City Trips" during the months of March and/or May.

**All Calendars need SPECIFIC EVENT DATES & TIMES (contact name, email address and phone number); DO NOT SCHEDULE EVENTS/MEETINGS ON HOLY DAYS AND HOLIDAYS – WHEN RECTORY OFFICE IS CLOSED!**

## Gift Wheel Donations for Festival

The St. Padre Pio Prayer Group has been very successful running the Gift Wheel at St. Anne's Festival the past few years; we are proud to say you have helped to make this possible.

Once again, we are asking for new gifts or monetary donations to help make this year's Gift Wheel

more successful than ever. Please mark your donation envelope or gift donation

"Festival-Gift Wheel" and drop your donations at the rectory or call Fran Spazian at 201-653-1318 for more information. Thank you for your past and continued generous support.

## Festival Journal Advertisement

St. Anne's Festival 2015 is set to take place on July 24, 25, 26, 2015. Eighteen years ago, our Parish began a 3-day indoor/outdoor Festival in Honor of our Patroness, St. Anne. The response to this new tradition has been a wonderful combination of social and liturgical activities in an effort to strengthen and build our sense of community! In fact, it has become the most anticipated event of the year. In keeping with our tradition, we will once again be producing a commemorative journal for St. Anne's Festival 2015!

The JOURNAL will highlight the different activities during the celebration and contain advertisements and well-wishes (a memoriam, living wishes, birth announcements, congratulatory on graduations, engagements, weddings, special anniversaries, etc) to and from many supporters. You may include a picture for your ad at no additional charge!

The journal pages are 8 1/2" x 11" and are available at the following rates:

- Full Page – \$125.00
- Half Full Page – \$ 75.00
- Quarter Page – \$ 50.00
- Special Donors – \$ 25.00

Contact rectory for forms and further details

# 4 Steps to Get the Most Out of Pentecost

By **NICK LEEPER, BA**

There never used to be dandelions in America. Those pestering weeds that pop up in people's lawns never used to exist on this continent until the Mayflower came over in 1620. The pilgrims who came over brought over the plant along with other European wildlife because it was a primary staple in their diets and they used it for medicinal purposes. The English used dandelions in soups, salads and teas and so they brought over the crop to the New World. By the 1670s, dandelions and other European plants were everywhere and the crop fully infiltrated the North American ecosystem.

On Pentecost, God came to the New World, our World, in the form of the Holy Spirit and planted Himself in the hearts of His people. At that time, He only had a handful of seeds, 12 or so, to plant, just like the pilgrims, but ever since then, Christianity is now the world's largest religion and so much good has come from that simple encounter between the Holy Spirit and the disciples. The Spirit was infectious, just like those dandelions, but how did it manage to spread?

The Spirit spread from the initial Pentecost participants because those disciples, like plants, bear fruit and multiply, but in this case it happens spiritually. The life that the Spirit gives you and I grows in our souls and it produces fruit, and that fruit carries the Spirit to others, who in turn do the same. Our faith is not simply a philosophy, but it is a new life in the Spirit and, through grace, you and I pass it on to others by finding what our strengths and passions are and where a need for those talents exist in the community. The process is as follows:

1. Search for your Strengths
2. Define your Desires
3. Navigate the Need
4. Make the Match

Before all of these, you and I need to have a source of grace in order to allow God to work through us. The perfect place for that is in the sacraments and in having a loving relationship with God. Through this relationship we have a friend to help us along the way as we become more fulfilled individuals in a thriving community.

## Search for your Strengths

Oftentimes, we are poised to focus on fixing our weaknesses, however, fixing our weaknesses is like building a business just to cover expenses - there is no profit to it. Research, such as Gallup's famous strengths conclusions, claim that focusing on our strengths is what will make us more focused, energetic, productive and fulfilled in how we apply those strengths. Also Paul says today that, "There are different kinds of spiritual gifts but the same Spirit." Executing our different gifts and strengths in ministry we are empowered to focus on doing the good that we are good at doing.

## Defining your Desire

After our strengths have been identified, you and I need to find a field to apply them in and that place must be a place where we desire to work. God works through our desires and typically calls us to places where we place those divine desires. For some it may be serving the imprisoned, others feeding the poor and for others it can pertain to simply raising a healthy family. Saint Paul says again, "There are different forms of service but the same Lord." There is no "right" form of service that everyone ought to be doing, but God places your call in your heart. It is our task to define what our desire is to do in the world with God.

## Navigate the Need

We may know what our strengths are and what our desire is, and now it is time to find or create a role to execute your strengths in the field of your desire. For some whose strength might be teaching and they desire to teach religion, teaching for Faith Formation will be a good fit for them because there is a need for it and it is valued by others. The essential component of this point is that the role needs to be valued not just by yourself but by others and God.

## Make the Match

Once you know what your strengths are, what your passion is and what is needed or valued in the community, the next step is to make the connection to benefit the world, yourself and God. Paul says, "To each individual the manifestation of the Spirit is given for some benefit" The saint indicates that we all have a vocation within the "one body" and although these roles are different, they all provide a benefit and these works can bear fruit.

This Pentecost, you and I can reflect on how we can help the Holy Spirit move to grant us all eternal life; the deepest and most satisfying life experience. The Spirit moves through produced works that come from grace. At the intersection of our strengths, our desires and the world's needs is where the most fruit is produced to benefit the world to make it a better place.
